These funds were allocated to the Office of the Attorney General for administrative staffing, travel, meeting costs, public notices, printing, and other operational expenses.

BUREAU OF ADVOCACY AND GRANTS MANAGEMENT

The bureau provides regional victim advocacy and appellate notification to victims of crime and administers federal Victims of Crime Act (VOCA) assistance grants. As part of the outreach and clearinghouse functions, the bureau maintains a Victim Services Directory of victim service providers by judicial circuit and maintains the Adult and Child Sexual Assault Protocols: Initial Forensic Physical Examination.

Advocacy

Regional victim advocates represent the Attorney General's Office throughout the state, providing a direct conduit between local victim services organizations and this office to promote the awareness of victims' rights. To advance the goal of ensuring these rights are afforded to the state's diverse populations, specific outreach initiatives are directed toward senior victims of crime and victims of violent crime in Florida. Additionally, regional victim advocates:

- Schedule and provide training to allied professionals related to Division of Victim Services programs, such as the Address Confidentiality Program, Victim Compensation, Identity Theft, Economic Crime, Domestic Violence Relocation, and Sexual Battery Relocation. In 2021-2022, 481 trainings/presentations were conducted for approximately 3,264 participants.
- In addition, 425 students attended 8 CyberSafety presentations. Due to the COVID-19 pandemic and limited ability to accessing schools in-person, this presentation was not able to be given as in prior years
- In 2021-2022 technical assistance was provided for approximately 3,444 inquiries related to victim compensation claims
- Provide direct assistance to victims by offering information and referral, crisis intervention, education related to the criminal justice system, and victim compensation assistance. In 2021-2022, more than 33,168 victims were supported with 62,057 direct services.

This year's activities involved:

Victims of Crime Act (VOCA) Assistance Grants

The federal VOCA assistance grant program offers funding to eligible public and private nonprofit organizations for use in responding to the emotional and physical needs of crime victims, assisting victims in stabilizing their lives after their victimization, helping victims to understand and participate in the criminal justice system, and providing victims with a measure of safety and security. The Bureau of Advocacy and Grants Management continued to administer the VOCA funding during the 2021-2022 federal fiscal year, October 1 through September 30. Appendix C is a listing of the amounts awarded for VOCA sub-grantees during 2021-2022.

The state's allocation of the federal fund is based on Florida's population in relation to all the other states and designated territories. Federal guidelines that govern the states' use of VOCA funds may be viewed online at <http://www.ojp.usdoj.gov/ovc/voca/vaguide.htm>. BUREAU OF CRIMINAL JUSTICE PROGRAMS

The Bureau of Criminal Justice Programs provides statewide public education and training programs for law enforcement personnel, school resource officers, victim advocates and other interested persons on crime prevention initiatives, school-based officer programs, victim advocacy and related criminal justice programs.

The Florida Crime Prevention Training Institute (FCPTI) was established (Section 16.54, F.S.) as part of the “HELP STOP CRIME” program and is administered by the Bureau of Criminal Justice Programs.

In addition, the bureau administers the Crime Stoppers, Urban League and General Revenue grant programs, the annual National Conference on Preventing Crime, the Florida Council on the Social Status of Black Men and Boys, the Florida Human Trafficking Summit, the Law Enforcement Awards Ceremony, the Victims’ Rights Ceremony, and the Address Confidentiality Program.

Our website, www.fcpti.com allows us to market FCPTI nationally and allows for on-line course registrations. Currently, approximately 99% of all registrations are received from online registration, which continues to reduce the costs of paper and mailings.

Last year, COVID-19 continued to have a significant negative impact on our training program within the Florida Crime Prevention Training Institute. We had to cancel 14 crime prevention and victim services related training courses. This year, only 2 courses were cancelled, and 9 additional courses were held. In addition, we are seeing an increase in our courses into next year as well and are scheduling our new Human Trafficking Designation courses.

The goals and objectives of FCPTI are:

- Develop and maintain a standardized, comprehensive crime prevention, victim services, and school resource officers training curriculum throughout the state.
- Keep victims, practitioners in the field of crime prevention, and school resource officers up to date on new prevention methods, ideas, and problems in crime prevention.
- Assist in making crime prevention an integral part of law enforcement and the community.
- Continually develop and implement new and innovative training programs.

Florida Crime Prevention Training Institute (FCPTI)

FCPTI courses are designed to provide comprehensive crime prevention training to Florida’s law enforcement community, school resource officers, victim advocates, citizenry and industry to enable them to control crime by denying criminal opportunity and behavior. Authorized in Section 16.54, F.S., the FCPTI Revolving Trust Fund is self-sustaining and is funded by tuition payments paid by training program participants. Training schedules may be accessed at www.fcpti.com.

Numerous practitioner designation programs are offered including Crime Prevention, Crime Prevention Through Environmental Design, Elderly Crime, School Resource Officer (SRO), Human Trafficking and Victim Services. In addition, this office provides a certification to law enforcement officers in Convenience Store Security. The Attorney General’s Office is the primary source

of training for crime prevention, victim services, elderly issues, human trafficking, and school resource officers (SRO) statewide and is a national leader in these fields.

Individuals trained by FCPTI play a vital role through community education in reducing crime and victimization statewide. Curriculum development is coordinated with the respective organizational entities to which they relate (i.e., Florida Association of School Resource Officers, Florida Crime Prevention Association, Florida Department of Law Enforcement, and Florida Department of Education). This year’s activities included:

Courses	34
Attendees	1367
Designations awarded	752
Classroom hours	989

Crime Prevention Practitioner Designation Training

The crime prevention practitioner designation (FCPP) is awarded to those individuals who successfully complete a series of three comprehensive crime prevention courses offered through FCPTI. The curriculum includes instruction in basic crime prevention, commercial crime prevention, and residential crime prevention. To maintain the designation, practitioners are required to attend refresher courses every three years. There are approximately 5600 crime prevention practitioners throughout the state. Over 25 percent of the state’s law enforcement officers have received crime prevention training. Additionally, crime prevention training is evolving to respond to current trends and conditions. This year’s activities included:

Courses	8
Attendees	247
Designations awarded	111
Classroom Hours	288

Crime Prevention Through Environmental Design (CPTED) Practitioner Designation Training

In 2004, the designation of Florida Crime Prevention Through Environmental Design Practitioner (FCP) was made available to individuals who successfully completed sixty-four hours of comprehensive CPTED courses offered through FCPTI. Designed for crime prevention and community-oriented policing officers, planners and architects, the designation provides officers and civilians with the skills necessary to deliver comprehensive CPTED programs to Florida’s residential and commercial industry, as well as local government.

Courses	12
Attendees	444
Designations awarded	282
Classroom Hours	280

Elderly Services Practitioner Designation Training

In 1986, the Attorney General’s Office began training on elder issues with a series of one-day workshops across the state on “Fraud Against the Elderly.” This led to the design of a five-day “Crimes Against the Elderly” course that was eventually adopted by the Florida Department of Law Enforcement (FDLE) as an “Advanced” course. With a growing senior population, there was an increase in elderly criminal victimization such as financial exploitation, abuse and neglect. To meet the demand for further training and a designation, the Attorney General’s Office expanded training for law enforcement and those professionals who interact with this population on a daily basis. These courses provide participants with detailed information on the role of the law enforcement officer in combating senior crime, in establishing prosecutorial cases, and a comprehensive look at abuse and neglect.

To earn the Florida Elder Crime Practitioner Designation (FECF), a participant must successfully complete eighty-eight hours of instruction offered through FCPTI within a period of three consecutive years. The requirement includes the forty-hour Crimes Against the Elderly course and two twenty-four-hour courses. No elderly classes were held due to lack of course registrations.

School Resource Officer Practitioner Designation Training

The objective of the School Resource Officer (SRO) training is to enhance the skills of school-based professionals who deal with juvenile issues on a daily basis. The classes are designed for SROs, school administrators and staff, and other professionals who work with students in campus settings. The SRO curriculum includes an advanced training (i.e., salary incentive) course that has been approved by the Criminal Justice Standards and Training Commission. Officers have the opportunity to earn the SRO practitioner designation with completion of the basic SRO course and an additional 90 hours of FCPTI juvenile-related courses. 400 officers have obtained the designation since its inception in 1988. In addition, a new “SRO Specialist” program was developed for those SROs that cannot attend the required hours for a designation. This year’s SRO training activities included:

Courses	6
Attendees	274
Designations awarded	3
Classroom Hours	224

Victim Services Practitioner Designation Training

Victim training programs are designed for novice and veteran victim advocates and allied professionals to enhance crisis intervention skills and increase awareness of available services and resources. The curriculum consists of victim services practitioner designation classes, advanced advocate training, and issue briefings. The designation program (VSPD) is a five-day course designed to improve the knowledge, skills, and abilities of service providers. This designation is valid for four years and may be renewed by providing evidence of 24 hours of non-agency victim related training during the four-year period, including advanced advocate training. Approximately 7000 designations have been awarded since inception of the program in 1995. Advanced advocate training is designed to enhance the skills and abilities of experienced victim service providers. Issue briefings focus on current issues from a local perspective. This year’s victim services training included:

Courses	8
Attendees	402
Designations awarded	359
Classroom Hours	224
