Complete the box below if requesting a Budget Modification. You must provide justification.

We are completing this budget modification in order to replace funds in travel that were used for Board President, Greg Tita and Program Coordinator, Deborah Martino to attend the Rules Hearing in Tallahassee, FL on September 28, 2015. These expenses were not anticipated when we were writing our grant proposal. As representatives of an affected party, Crime Stoppers of Pinellas County, we wished to attend this hearing on behalf of our program.

Indicate in the box below what impact this modification will have on your program.

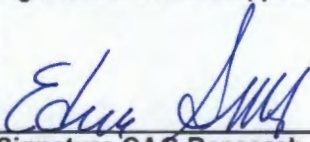

We used grant funds in order for a Board Member and a staff member to attend the Rules Hearing on behalf of our program. This unanticipated trip allowed us to advocate to the Hearing Committee regarding the rules being promulgated on behalf of our Crime Stoppers program and the citizens our program serves. We hope that because of our attendance, we may contribute to rules being developed that fairly and accurately reflect the mission our program and the service we provide to our citizens who wish to help stop crime, but wish to remain safely anonymous.

Subject: [ArcMail Restored] Urgent Request - Travel Approval
Attachments: image003.jpg; Authorization - Tita and Martino - Tallahassee.pdf; Formal Objections to OAG Rule Development.pdf
Importance: High

Good Afternoon,

Please forgive this weekend email, however, after attending the Florida Association of Crime Stoppers meeting in Vero Beach last week, Greg also decided that it was imperative that he also attend the Rules Hearing - as we have several valid objections to the rules being proposed to govern our program (see attached formal objections.pdf).

I spoke with our Grant Manager with the OAG on Friday and she advised that due to the urgent nature of this meeting, that we may ask the board for approval of our travel expenses via email vote.

We do have sufficient \$ in our travel budget, and I will be allowed to submit a Budget Modification after this event, as per Melissa Ray, our OAG Grant Manager. Please review the attached Authorization forms. Greg needs to return Monday night, as he has an appt. Tuesday Morning. I am returning Tuesday morning. The total cost will be \$844.10

If you approve, please reply to me with a YES. If you do not approve, please reply to me with a NO.

Thank you.

Sincerely,
Deb

Good Afternoon,

Please forgive this weekend email, however, after attending the Florida Association of Crime Stoppers meeting in Vero Beach last week, Greg also decided that it was imperative that he also attend the Rules Hearing – as we have several valid objections to the rules being proposed to govern our program (see attached formal objections.pdf).

I spoke with our Grant Manager with the OAG on Friday and she advised that due to the urgent nature of this meeting, that we may ask the board for approval of our travel expenses via email vote.

We do have sufficient \$ in our travel budget, and I will be allowed to submit a Budget Modification after this event, as per Melissa Ray, our OAG Grant Manager. Please review the attached Authorization forms. Greg needs to return Monday night, as he has an appt. Tuesday Morning. I am returning Tuesday morning. The total cost will be \$844.10

If you approve, please reply to me with a YES. If you do not approve, please reply to me with a NO.

Thank you.

Sincerely,
Deb
