VOCA Match Budget: Cell Phone/MIFI Service

Agency Name: Baker County Sheriff's Office

Program Match: The VOCA Rules require that all proposals provide a 20% match of the total VOCA project. Total VOCA Project is defined as the VOCA Budget Request plus the Program Match. Match funds are subject to the same restrictions that govern VOCA grant funds, i.e., the source of program match must be a VOCA-allowable expenditure. Training is not approved as a matching contribution.

To determine the amount of match required by the VOCA Rules for the proposed VOCA project, divide the total amount of the VOCA Budget Request by four. The result is the amount of the program match. For example, if the VOCA Budget Request is \$30,000, then divide \$30,000 by four which equals \$7,500. In this case, the required match is \$7,500 which equals 20% of the total VOCA project. The following further illustrates the program match requirement:

\$30,000
+ \$7,500
\$37,500

Allowable match funds may include, but are not limited to, volunteers, staff salaries, rent, equipment, operating costs, etc. Federal funds from other sources cannot be used for VOCA match. Match used for the VOCA project cannot be used as match for any other grant. Do not over report match, i.e., do not provide match in excess of 20% of the total VOCA project. Match may be provided as either cash or in-kind or a combination of cash and in-kind as follows:

Cash Match: A cash match is any cost component that is included in the agency's overall budget as it applies to the provision of direct services for victims of crime, i.e., staff providing direct victim services, travel related to the delivery of direct victim services, rent paid by the agency for the portion of the program providing direct victim services, etc. If the agency pays for the expense, then it may be used as a cash match.

In-Kind Match: An in-kind match includes donated items or services that benefit the program but which do not have a dollar value assigned for budgeted purposes. For example, programs may use volunteer hours as match. The value placed on donated services must be consistent with the rate of compensation paid for similar work in the applicant agency. If the required skills are not found in the applicant agency, the rate of compensation must be consistent with the labor market. Programs may use items donated by other programs or individuals as in-kind match, i.e., rent and utilities used for the provision of direct services to victims and donated by another source outside the agency.

The Program match section is an itemized description by budget category of proposed matching contributions. The budget categories are personnel, contractual services, equipment and operating expenses. Provide a detailed (itemized) list and a budget narrative for each budgeted category. Indicate the funding source and indicate if it is a cash or in-kind match. Do not over report required match. Unless otherwise approved by the

Match Narrative: Describe in detail the type of Match, whether cash or in-kind, the budget category, etc. Submit the same detailed information for match as provided for VOCA funded items. If match is in the personnel category for paid staff complete the table below (attach additional page(s) if needed) and provide the total salary and benefits and percentage. Attach job descriptions for all paid staff and/or volunteers reported as Match. Job descriptions must reflect VOCA allowable activities that are equal to or greater than the percentage of the position that is reported as Match. Failure to provide VOCA allowable job descriptions may result in a reduction to your request.

EXAMPLES- Match Narrative:

Our agency utilizes volunteers who provide direct services to victims of crime, such as intake clerks, clerical (types reports and calls victims) and victim advocates. The agency anticipates using volunteers at the equivalent of 20 - 23 hours per week x 52 weeks x \$5.15 for a match of \$5,698.

* Only those agencies with an established volunteer component are eligible to utilize volunteers as match.

The agency rents office space from the Global Company at \$14,400 annually and the agency's pro-rated portion for office space for volunteers and supervisor of the victim advocate would be approximately 19% (or \$234 per month) x 12 months = \$2,807.

Approximately 5% of the Victim Advocate Supervisor position will be utilized to provide supervision for the victim advocate position. The supervisor's total salary and benefits equal \$32,000.
