**Complete the box below if requesting a Budget Modification. You must provide justification.**

We are requesting to create a new line item (#41 Reflective Street Signs) so that we may repair damaged and faded street signs that have been in place since the 2011-2012 grant year. These signs promote our tip line and website address and are placed in various neighborhoods throughout our county. We would also like to request the following transfers: 1) \$325.00 from line item #13 (Newspaper) to line item #41, 2) \$159.00 from line item #20 (Door Hangers) to line item #41 and 3) \$204.00 from line item #23 (Posters) to line item #41.

*see attached email.*

**Indicate in the box below what impact this modification will have on your program.**

These signs were placed during the 2011-2012 grant year in an effort to promote our program, tip line and website address. Since that time, some of the signs have been damaged or are extremely faded and are in need of repair.

Hi Karen,

I was quoted \$48 per sign. We have 14 signs that are faded and or damaged. The amount of money I requested to transfer will be enough to repair all 14.

Ms. Innocenti,

I am unable to approve vague language in an application. I will need to confirm that the amount of money requested will resurface and repair 14 signs.

Thanks!

Up to 14 signs will be resurfaced and repaired. No new signs will be purchased at this time. Since a few of the signs that are damaged are still in place, my vendor will determine whether or not they are beyond repair.
