

NFL Kicker Matt Bryant

Matt Bryant: Hi, I'm Matt Bryant, Kicker for the Tampa Bay Buccaneer. When I'm not kicking game winning field goals, I'm online, emailing, chatting with friends, downloading songs for my iPod, and surfing around just like you. But kind of like football, if you don't play it safe online you can really get hurt. Pictures and words can hurt friendship, your college application, or even future job prospects. So think before you Post.

McCollum: I'm Attorney General Bill McCollum and I'm proud to have Buck's Kicker Matt Bryant on my cyber safety team. Log on my safe surf website at safeflorida.net.
