Re: Government in the Sunshine

Dear Mr. Armesto:

This is in response to your letter of September 10, 1979, in which you requested this office to determine whether a violation of the Sunshine Law, §286.011, F.S., took place at a meeting of a Republican Party committee.

I regret to inform you that this office must decline to issue an opinion in this situation. The persons to whom this office may give legal advice are limited. See §16.01, F.S., as amended by Ch. 79-159, §1, Laws of Florida. This office is not authorized to issue an opinion at the request of private individuals or political party officers. However, in an effort to be of some assistance to you, I am enclosing the following comment.

Section 286.011(1), F.S., provides:

All meetings of any board or commission of any state agency or authority or of any agency or authority of any county, municipal corporation or any political subdivision, except as otherwise provided in the Constitution, at which official acts are to be taken are declared to be public meetings open to the public at all times,

Mr. Eladio Armesto

and no resolution, rule, regulation, or
formal action shall be considered binding
except as taken or made at such meeting.
(e.s.)

This section does not appear to be applicable to a meeting of
a political party or to any meeting of a non-governmental body,
nor am I aware of any court decision or opinion of the Attorney
General which holds or determines that such a meeting by a
political party or non-governmental body is subject to the
Sunshine Law.

I trust that you will understand the position this office is
compelled to take in this instance and hope that this brief
comment is of some help to you.

Sincerely,

DIVISION OF OPINIONS
