Attorney General Ashley Moody News Release

One-Year Anniversary of Thin Line Tribute Initiative

TALLAHASSEE, Fla.—Attorney General Ashley Moody today is recognizing the one-year anniversary of the launch of the Thin Line Tribute initiative. Attorney General Moody created Thin Line Tribute to recognize and show appreciation for the courageous and often thankless work of Florida’s front-line law enforcement officers.

Attorney General Ashley Moody said, “One year ago today, I launched a new initiative to honor the unsung heroes of Florida law enforcement. We call it the Thin Line Tribute. Through this important statewide invitation we have promoted the heroic acts of front-line officers and created opportunities for the state of Florida to show its appreciation and say thank you.”

Attorney General Moody launched the [first Thin Line Tribute](#) at the Plant City Police Department last May. In total, Attorney General Moody hosted tributes for 10 agencies, with [the most recent](#) at the Vero Beach Police Department in April.

Below are the agencies Attorney General Moody visited and gave a Thin Line Tribute to in the past year:

- [Plant City Police Department and Belleview Police Department](#)
- [Perry Police Department](#)
- [Bay County Sheriff's Office](#)
- [Hispanic Police Officers Association](#)
- [Kissimmee Police Department](#)

- [Green Cove Springs Police Department](#)
- [Lake County Sheriff's Office and Lady Lake Police Department](#)
- [Vero Beach Police Department](#)

Thin Line Tribute is just one of the many ways Attorney General Moody encourages support for Florida law enforcement. The statewide [Back the Blue Award](#) highlights law enforcement officers, citizens and organizations going above and beyond to make a positive impact on Florida communities.

To showcase career opportunities available at law enforcement agencies across the state, and to highlight new benefits for law enforcement officers looking to move to Florida, Attorney General Moody created the [Be A Florida Hero initiative](#). Be A Florida Hero is designed to make it easier than ever for someone who is interested in becoming a Florida law enforcement officer to learn about the different agencies, search open positions and find contact information to apply for available jobs.

Gov. Ron DeSantis recently signed HB 3 into law, instituting additional benefits for law enforcement recruits. The new law includes one-time signing bonuses, education resources, relocation assistance and more.
