Number: PETITION

Date: May 09, 2016

The Honorable Jorge Labarga
Chief Justice, and Justices of
The Supreme Court of Florida
The Supreme Court Building
Tallahassee, Florida 32399-1925

Dear Chief Justice Labarga and Justices:

In accordance with the provisions of Article IV, section 10, Florida Constitution, and section 16.061, Florida Statutes, it is my responsibility as Attorney General to petition this Honorable Court for a written opinion as to the validity of an initiative petition circulated pursuant to Article XI, section 3, Florida Constitution.

On April 7, 2016, this office received a letter from the Secretary of State (a copy of which is attached) advising that the initiative petition entitled "Voter Control of Gambling in Florida" had met the registration, submission, and signature criteria set forth in section 15.21, Florida Statutes.

The full text of the proposed amendment, which adds a new section 29 to Article X of the Florida Constitution, states:

"ARTICLE X, FLORIDA CONSTITUTION, is amended to include the following new section:
Voter Control of Gambling in Florida.

(a) This amendment ensures that Florida voters shall have the exclusive right to decide whether to authorize casino gambling in the State of Florida. This amendment requires a vote by citizens' initiative pursuant to Article XI, section 3, in order for casino gambling to be authorized under Florida law. This section amends this Article; and also affects Article XI, by making citizens' initiatives the exclusive method of authorizing casino gambling.

(b) As used in this section, 'casino gambling' means any of the types of games typically found in casinos and that are within the definition of Class III gaming in the Federal Indian Gaming Regulatory Act, 25 U.S.C. § 2701 et seq. ('IGRA'), and in 25 C.F.R. §502.4, upon adoption of this amendment, and any that are added to such definition of Class III gaming in the future. This includes, but is not limited to, any house banking game, including but not limited to card games such as baccarat, chemin de fer, blackjack (21), and pai gow (if played as house banking games); any player-banked game that simulates a house banking game, such as California black jack; casino games such as roulette, craps, and keno; any slot machines as defined in 15 U.S.C. 1171(a)(1); and any other game not authorized by Article X, section 15, whether or not defined as a slot machine, in which outcomes are determined by random number generator or are similarly assigned randomly, such as instant or historical racing. As used herein, 'casino gambling' includes any electronic gambling devices, simulated gambling devices, video lottery devices, internet sweepstakes devices, and any other form of electronic or electromechanical

facsimiles of any game of chance, slot machine, or casino-style game, regardless of how such devices are defined under IGRA. As used herein, 'casino gambling' does not include pari-mutuel wagering on horse racing, dog racing, or jai alai exhibitions. For purposes of this section, 'gambling' and 'gaming' are synonymous.

(c) Nothing herein shall be deemed to limit the right of the Legislature to exercise its authority through general law to restrict, regulate, or tax any gaming or gambling activities. In addition, nothing herein shall be construed to limit the ability of the state or Native American tribes to negotiate gaming compacts pursuant to the Federal Indian Gaming Regulatory Act for the conduct of casino gambling on tribal lands, or to affect any existing gambling on tribal lands pursuant to compacts executed by the state and Native American tribes pursuant to IGRA.

(d) This section is effective upon approval by the voters, is self-executing, and no Legislative implementation is required.

(e) If any part of this section is held invalid for any reason, the remaining portion or portions shall be severed from the invalid portion and given the fullest possible force and effect."

The ballot title for the proposed amendment is: "Voter Control of Gambling in Florida." The ballot summary for the proposed amendment states:

"This amendment ensures that Florida voters shall have the exclusive right to decide whether to authorize casino gambling by requiring that in order for casino gambling to be authorized under Florida law, it must be approved by Florida voters pursuant to Article XI, Section 3 of the Florida Constitution. Affects articles X and XI. Defines casino gambling and clarifies that this amendment does not conflict with federal law regarding state/tribal compacts."
