Additionally, regional victim advocates:

- Schedule and provide training to allied professionals related to Division of Victim Services programs, such as the Address Confidentiality Program, Victim Compensation, Identity Theft, Economic Crime, Domestic Violence Relocation, and Sexual Battery Relocation. In 2023-2024, 115 trainings/presentations were conducted for approximately 1,909 participants.

Victims of Crime Act (VOCA) Assistance Grants

The federal VOCA assistance grant program offers funding to eligible public and private nonprofit organizations for use in responding to the emotional and physical needs of crime victims, assisting victims in stabilizing their lives after their victimization, helping victims to understand and participate in the criminal justice system, and providing victims with a measure of safety and security. The Bureau of Advocacy and Grants Management continued to administer the VOCA funding during the 2023-2024 federal fiscal year, October 1 through September 30. Appendix C is a listing of the amounts awarded for VOCA sub-grantees during 2023-2024.

BUREAU OF CRIMINAL JUSTICE PROGRAMS

The Bureau of Criminal Justice Programs provides statewide public education and training programs for law enforcement personnel, school resource officers, victim advocates and other interested persons on crime prevention initiatives, school-based officer programs, victim advocacy and related criminal justice programs.

The Florida Crime Prevention Training Institute (FCPTI) was established (Section 16.54, F.S.) as part of the "HELP STOP CRIME" program and is administered by the Bureau of Criminal Justice Programs.

In addition, the bureau administers the Crime Stoppers, Urban League and General Revenue grant programs, the annual Florida Attorney General's Crime Prevention Summit, the Florida Council on the Social Status of Black Men and Boys, the Law Enforcement Awards Ceremony, the Victims' Rights Ceremony, the Address Confidentiality Program and the Multifamily Residential Property Safety and Security Program.

Our website, www.fcpti.com allows us to market FCPTI nationally and allows for on-line course registrations. Currently, approximately 99% of all registrations are received from online registration, which continues to reduce the costs of paper and mailings.

We had to cancel 5 crime prevention and victim services related training courses due to a hurricane. In addition, we are continuing to see an increase of our courses into next year, and we are scheduling our new Human Trafficking Designation course and CPTED Multi-Family Housing Security Act courses.

The goals and objectives of FCPTI are:

- Develop and maintain a standardized, comprehensive crime prevention, victim services, and school resource officers training curriculum throughout the state.
- Keep victims, practitioners in the field of crime prevention, and school resource officers up to date on new prevention methods, ideas, and problems in crime prevention.
- Assist in making crime prevention an integral part of law enforcement and the community.
- Continually develop and implement new and innovative training programs.

Florida Crime Prevention Training Institute (FCPTI)

FCPTI courses are designed to provide comprehensive crime prevention training to Florida's law enforcement community, school resource officers, victim advocates, citizenry and industry to enable them to control crime by denying criminal opportunity and behavior. Authorized in Section 16.54, F.S., the FCPTI Revolving Trust Fund is self-sustaining and is funded by tuition payments paid by training program participants. Training schedules may be accessed at www.fcpti.com.

Numerous practitioner designation programs are offered including Crime Prevention, Crime Prevention Through Environmental Design, Elderly Crime, School Resource Officer (SRO), Human Trafficking and Victim Services. In addition, this office provides a certification to law enforcement officers in Convenience Store Security. The Attorney General's Office is the primary source of training for crime prevention, victim services, elderly issues, human trafficking, and school resource officers (SRO) statewide and is a national leader in these fields.

Individuals trained by FCPTI play a vital role through community education in reducing crime and victimization statewide. Curriculum development is coordinated with the respective organizational entities to which they relate (i.e., Florida Association of School Resource Officers, Florida Crime Prevention Association, Florida Department of Law Enforcement, and Florida Department of Education). This year's activities included:

Courses	37
Attendees	1812
Designations awarded	744

Crime Prevention Practitioner Designation Training

The crime prevention practitioner designation (FCPP) is awarded to those individuals who successfully complete a series of three comprehensive crime prevention courses offered through FCPTI. The curriculum includes instruction in basic crime prevention, commercial crime prevention, and residential crime prevention. To maintain the designation, practitioners are required to attend refresher courses every three years. There are approximately 5600 crime prevention practitioners throughout the state. Over 25 percent of the state's law enforcement officers have received crime prevention training. Additionally, crime prevention training is evolving to respond to current trends and conditions. This year's activities included:

Courses	21

Crime Prevention Through Environmental Design (CPTED) Practitioner Designation Training

In 2004, the designation of Florida Crime Prevention Through Environmental Design Practitioner (FCP) was made available to individuals who successfully completed sixty-four hours of comprehensive CPTED courses offered through FCPTI. Designed for crime prevention and community-oriented policing officers, planners and architects, the designation provides officers and civilians with the skills necessary to deliver comprehensive CPTED programs to Florida's residential and commercial industry, as well as local government. FCPTI offered an additional Basic CPTED and Advanced CPTED classes during this fiscal year to meet its required designation training per the statute.

Courses	12
Attendees	470
Designations awarded	288
Classroom Hours	288

Elderly Services Practitioner Designation Training

In 1986, the Attorney General’s Office began training on elder issues with a series of one-day workshops across the state on “Fraud Against the Elderly.” This led to the design of a five-day “Crimes Against the Elderly” course that was eventually adopted by the Florida Department of Law Enforcement (FDLE) as an “Advanced” course. With a growing senior population, there was an increase in elderly criminal victimization such as financial exploitation, abuse and neglect. To meet the demand for further training and a designation, the Attorney General’s Office expanded training for law enforcement and those professionals who interact with this population on a daily basis. These courses provide participants with detailed information on the role of the law enforcement officer in combating senior crime, in establishing prosecutorial cases, and a comprehensive look at abuse and neglect.

To earn the Florida Elder Crime Practitioner Designation (FECPE), a participant must successfully complete eighty-eight hours of instruction offered through FCPTI within a period of three consecutive years. The requirement includes the forty-hour Crimes Against the Elderly course and two twenty-four-hour courses. No elderly classes were held due to lack of course registrations.

School Resource Officer Practitioner Designation Training

The objective of the School Resource Officer (SRO) training is to enhance the skills of school-based professionals who deal with juvenile issues on a daily basis. The classes are designed for SROs, school administrators and staff, and other professionals who work with students in campus settings. The SRO curriculum includes an advanced training (i.e., salary incentive) course that has been approved by the Criminal Justice Standards and Training Commission. Officers have the opportunity to earn the SRO practitioner designation with completion of the basic SRO course and an additional 90 hours of FCPTI juvenile-related courses. 433 officers have obtained the designation since its inception in 1988. In addition, a new “SRO Specialist” program was developed for those SROs that cannot attend the required hours for a designation. This year’s SRO training activities included:

Courses	5
Attendees	177
Designations awarded	11
Classroom Hours	160

Victim Services Practitioner Designation Training

Victim training programs are designed for novice and veteran victim advocates and allied professionals to enhance crisis intervention skills and increase awareness of available services and resources. The curriculum consists of victim services practitioner designation classes, advanced advocate training, and issue briefings. The designation program (VSPD) is a five-day course designed to improve the knowledge, skills, and abilities of service providers. This designation is valid for four years and may be renewed by providing evidence of 24 hours of non-agency victim related training during the four-year period, including advanced advocate training. Approximately 7000 designations have been awarded since inception of the program in 1995. Advanced advocate training is designed to enhance the skills and abilities of experienced victim service providers. Issue briefings focus on current issues from a local perspective. This year’s victim services training included:

Courses	10
Attendees	347
Designations awarded	339
Classroom Hours	296

The Florida Crime Prevention Training Institute is working closely with agency legal in the development of the “best practices” and implementation of the crime prevention through environmental design assessment training as listed in the bill. These items will be included in the upcoming training calendar year. FCPTI offered an additional Basic CPTED and Advanced CPTED classes during this fiscal year to meet its required designation training per the statute.

Florida Attorney General’s Crime Prevention Summit

This annual summit is a collaborative effort sponsored by this office to provide a focal point in Florida and around the nation on crime issues affecting Florida’s residential and business communities. Special attention is directed toward initiatives to curb youth violence and to protect victims of crime and provides a unique opportunity for participants to share their views and experiences on relevant issues in their community. The November 2023 summit was held in Tampa with 99 attendees.

Legal Counsel - Appeals

If the claim is denied, the victim is notified of the decision in writing. The victim is granted the opportunity to appeal the decision within 60-days of the ineligibility notification by submitting a petition which meets the requirements of the uniform rules of procedure, pursuant to §120.569 or §120.57, F.S. A Notice of Rights form is included with each denial notice and may act as a petition. The victim may submit additional evidence with the petition proving eligibility, and based on this new information, the claim may be reconsidered. When a satisfactory petition is received, it is reviewed to determine whether material facts are at issue which would require the evidence to be weighed by an impartial hearing officer in an evidentiary hearing. The victim is granted an informal hearing and given the opportunity to make an oral presentation to the Division Director when there are no material facts at issue.
