Complete the box below if requesting a Budget Modification. You must provide justification.

We request transfer in same Budget Category (Rewards & Public Education).  
Our Board recently approved raising our max reward from \$1000 to \$3000.  
We need to update all of our promotional materials, such as advertisements, biz cards, magnets, decals, etc.  
One of our promotional activities is entering our float into parades. Our largest annual community event in Manatee County is the DeSoto parade on 4/30/2016. We want our float to be updated to promote the new reward level of \$3000. In order to do so, we need to create 3 new banners for each side and the back. We can get all 3 updated banners made for \$325. Request moving \$325 from Line#19 Program Specialty Items into Line#24 Banners to accomplish this.

Indicate in the box below what impact this modification will have on your program.

This transfer will allow us to produce new banners with updated information. We have already experienced higher tip volume since we increased our max reward. We believe this will have a positive impact on our program because promoting a higher reward amount to the large number of people who watch parades in our community help get the word out and may influence more tipsters to come forward with information regarding violent crimes and murders in Manatee County.
